| Broadway Cast of Company                      | Workshop Training      | 2022 |

I am a storyteller at my core, with a foundation in performance, writing, and collaborative devising. I recently graduated from Emerson College with a degree in Theatre and Communications. My early acting experience in Brazil across stage and television shaped my understanding of storytelling's emotional impact. Through work with ArtsEmerson, Crow Comedy, and Skybound Entertainment, I have developed strong creative and collaborative skills and hope to create work that inspires connection and impact.
